Chorus

Hi my name is what my name is who my name my  
name is Santana.

verse 1

Hi guys do you like my life guns , pussy,drugs the high  
life are there any one of those three you don't like  
number 2 pussy are you gay do you like guys are you  
one of those dudes who sleep with a night light bright  
bright so the bed bugs don't come out and bite bite. i  
thought you was gangsta oh i forgot that was an image  
drawn on a paper now im gonna erase ya.step back you  
rap dudes the game is hungary i bring the steak and  
you make the fast food. my brains mixed up that's why  
i spit stuff to make a chick at a strip club give me a tip  
cup after i tip her.you wanna crave it and get dug but  
guess what you'll be the one digging it you idiot you'll  
start bleeding like a chicks period im serious.and ive  
been watching you rappers acting you rappersare still  
in my way your swagga jacken and im not surprised but  
im here to tell you i already got a son so stop it guys  
don't bother nigga im a father nigga go look for  
someone elsa to be your father figure. i do this nigga  
and i do this well but im a stop it now and leave it for  
you to tell
