[Juelz Talking]

Yeah juelz Santana (I can feel it in the air)
I mean you know I wake up In the morning
And I be hearing this voice like
Yo jeulz man you that nigger man I don't know why you
ain'tâ€¦.
You ain't up there with the rest of these niggers what's
up man
I just smirk and I reply like it takes a little bit longer to
get something that's so far ahead

[Juelz]

This ain't where I'm supposed to be
I ain't where i'm supposed to be (I can feel it in the air)
Things are just moving slow for me
But this my year I swear (I can feel it in the air)
Fo sho I'm that nigga you know I'm that nigga
Express power (I can feel it in the flow)
It's like every time the wind blow I get goose bumps
I'm the future (I can feel it in the air)
Roach infested dope infested
Co-ops co-connected that's where I come from (I can
feel in the air)
Dirty apartment building
Kids with more heart then feelings
So they resolve to killing (I can feel it in the air)
That's what my music is (what?)
Just a product of my environment and everything I grew
up in (I can feel it in the flow)
I used to think what is all this a waste
But now I see it's all falling into place (I can feel it in the
air)
I'm on 3rd and i'm inching from the corner of the base
I can't wait to get home (I can feel it in the air)
I'm bout to steal this whole shit
My album is incredible
I swear i'm bout to kill this whole shit
You niggas know me same dude i've been
And shit change you niggas know me
It's just my plot is a little more perfected
And the dots a little more connected plus (I can feel it

in the air)
I've sat back watched the game from a distance
See, now I see what the games been missing, me (I can
feel it in the air)
The break is over the wait is over i'm back
Everything that's been taken is being taken over (I can
feel it in the air)
Plus a promise can imma make him a million
Well guess what we headed to the promise land (I can
feel it in the flow)
Oh yeah, they can't break what's unbreakable (my
loyalty)
They can't take what's un-take-able (I can feel it in the
air)
I ain't just with you to the end of a session the end of a
show
I'm with you to the end of the road (I can feel it in the
air)
Till death do us
Part that is you got a piece of my heart my nig (I can
feel it in the air)
Bless my grandmas soul know she's up there watching
Can't wait to see her grandson grow (I can feel it in the
flow)
Can't wait to see her grandson blow
And her grandson knows cause (I can feel it in the air)
