Native son
What have you done
Where have you been
Who do you know
Where have you been
Who do you know?

CHORUS

Nothing
No one
Nowhere
Mainly devil-may-care
Nothing
No one
Nowhere
I'm still picking things
>From the air
Dizzy boy
Is there still joy
In being free

And in between
In being free
And in between?

CHORUS

Nothing no one nowhere
Nothing no one nowhere
Nothing no one nowhere
Nothing no one nowhere
I'm gonna la-la-la-la-la-la
My way through life
I'm gonna la-la-la-la-la-la
My way through life
I'm gonna la-la-la-la-la-la
My way through this life
Nowhere
