Ay tell the waiter pick up the whole bar, and just bring it  
over here  
We trying to get drunk, and we get money  
Yeap  
Uh, Blame it on the goose, the patron, or the henny  
Blame it on them all, cause all of them bottles empty  
Ima leave this club when im dazy, and all i wanna know  
is who's comming with me  
Blame it on the liquor, cause by the end of the night  
that ain't the only thing you gonna have in ya  
You tryna get with me, im tryna get with ya  
I can see me inside you like a mirror, and i got a whole  
bedroom full of mirros  
Lets use it, so we see what we doin, what we do, and  
how we do it  
Go to sleep, wake up like "why the hell we do it?"  
"What the hell was we doin?", and "Why the hell we do  
it?"  
Haha  
I must of been drunk cause if not i would of kicked your  
ass out when i was done  
But for now, raise your bottles and your cups up, say it  
with me  
Everybody in the club gettin tipsy

(Chorus)-

Blame it on the Goose (goose)  
Got you feeling loose (loose)  
Blame it on Petron ('tron)  
Got you in the zone (zone)  
Blame it on the a-a-a-a-a-a-alcohol  
Blame it on the a-a-a-a-a-a-alcohol  
Blame it on the Vodka
