chorus

hi my name is what my name is who my name my name
is Santana.

verse 1

hi guys do you like my life, Tell me do like guns ,
pussy,drugs the high life?
are there any one of those three you don not like
number 2 pussy are you gay do you like guys
are you one of those dudes who sleep with a night light
bright bright so the bed bugs dont come out and bite
bite.
i thought you was gangsta oh i forgot that was an
image drawn on a paper now im gonna erase ya.

step back you rap dudes the game is hungry i bring the
steak and you make the fast food. my brains mixed up
thats why i spit stuff to make a chick at a strip club give
me a tip cup after i tip her.

you wanna crave it and get dug but guess what youll be
the one digging it you idiot youll start bleeding like a
chicks period im... serious.

and ive been watching you rappers acting, you acting
rapping ya still in my way youre swagga jackin and im
not surprised but im here to tell you i already got a son
so stop it guys dont bother nigga im a father nigga go
look for someone else to be your father figure.
i do this nigga and i do this well but im a stop it now
and leave it for you to tell
