(Intro)

Yeah, Juelz Santana heat makers
that shit them niggas did ain't affect nobody, animal
music man

Lets do it

{Verse}

Oh, its the brand new prince of the city man,
Thanks to Killa my nigga, yes he wit me fam
Ya'll know what we about to do,
roll out we about to move, Okay
I make music I consider a challenge
Like this here, reminds me of Gilligan's Island
And that reminds me of Harlem, where my niggaz is
whylin

Only bureau that was built on the island, oh
You fucks probably ain't know, if they cut off the
bridges

Then we'd be stuck, forced to live on the Island
But we gangstas, riders, 9/11 survivors
Niggaz still want beef than holla
You think you bout it, get your piece and holla
Squeeze the piece when I think it's problems, do you
follow?

A young Muhammad Atta, no plane lessons, cocaine
lessons, just a plot of towers
Before they crashed and divided the towers
I'm hurtin' working hard to reprove the towers, like
Bring 'em back up, lift 'em back up
Niggaz back up, or lift his back up

[Chorus: 2x]

Okay, okay, okay
Okay, okay, okay
Okay, okay, okay
Y'all can't fuck with me, okay

[Verse]

Now let me hear you say, O-K-A-Y
It's Santana the great again, tie him up, bandana his
face again
I tried to tell 'em it's no escaping the basics

And no escaping the hatred and no escaping the
matrix man
Only Neo is me, no Cleo can see my future, if she did
I'd shoot her
They tried to say the mission was impossible
I came through, crew did it, got it poppin' too
Two bitches on my side both prostitutes
Gray smoke, mobster's suit, yeah they get it poppin'
too
I get my ace holes chopped in two, dimes, quarters,
rocks in two
The fiends cop it too
Yeah, look at 'em rockin' two, rockin' boat, Rock n' Jock
Stop and plot, hot a BLAT
Fucka, this nigga gotta stop, out of sight, out of mind
He gotta go, he out of line

[Chorus: 2x]

Okay, okay, okay
Okay, Okay, Okay
Okay, Okay, Okay
Y'all can't fuck with me, OKAY
