[Verse 1 - Juelz]

Money longer den a tower call me Mr. Eiffle
Tornado flow dont get caught up n da spiral
Bitch I am not just hot, ima pyro
Maniac I set fires everywhere I go
Two shot crack a nigga bones like chiro
Practice, bastards you fuckin wit a physco
Cyclone, disconnect his head from his spinal
Charge him like a rhino, den hittem wit dat rifle
But how am i supposed to beef when dey Gyro?
Meat, goat, lamb, sheep
My dick need lypo ya girl do da suction
And she goes deep
Its just sumtin about her, she make me cum faster

Her throat itch and my dick is her tongue scratcher
Mr. Santana make it cum for me
She pulled out her titties and said "Cum all ova dese"
M6s, M3s, S5, fifties, AMG, 63, phantom, bentlys
Maybachs on da way, Corvette, who wanna race?
I dont care if you beat me ill go get dat Lamborghini
I be movin through da traffic
My new coop is a classic
Orange challenger lookin like da Dukes of Hazard
And for my goons dey mentality is tragedy
Mortal Kombat finish him, fatality (A!)

Our clique realer den anybody you know

Money so big we cant fold or roll
What you reppin (Skull gang)
What you reppin (Skull gang)
What you reppin (Skull gang)
What you reppin (Skull gang)
Stand up and everybody can see
Dey dont even ask for I.D. its me
What you reppin (Skull gang)
What you reppin (Skull gang)
What you reppin (Skull gang)
What you reppin (Skull gang)
