You were my eyes when I couldn't see
You were my air when I couldn't breathe
I think you always knew what you meant to me

You were my strength when I was down
And u made me humble when I wouldn't bounce
I held onto your promise that you'd be around

Where were you when I was alright damn
Needed you when I was alright
You left me thinking id be alright...wont you come
back to me

Its crazy but I'm falling apart
It's crazy how you're leaving me scared
Its crazy girl wherever you are, you stole my heart
It's crazy but I'm going insane, feeling lost confused
and ashamed
It's crazy hope your feeling my pain, you stole my
heart

Stolen—just like a romance
Stolen—you never owe me
Stolen—you took away my heart
I was very lost in my own world
Neglecting your needs and your words girl
If only we could try again one time ooh
It was the same sad story that we all know
Our love has made mistakes, watch it all go
I don't want to be the one to let it all go

Chorus

Bridge

No man can live without blood running through his
veins
And It's hard to remember the summer, all I feel is
rain
I don't know how much longer that I can wait; it's
been long, between love and hate

Chorus

Stolen—just like a romance
Stolen—you never owe me
Stolen—you took away my heart

Stolen—just like a romance
Stolen—you never owe me
Stolen—girl you took away my heart
