Got myself a cadillac
Dyed my hair from grey to black
Left behind yesterday
Destiny's a day away

Under memphis skies
Did you notice
I'm halfway home to elvis
In my blue suede shoes
I'm the big man, I'm halfway home
Halfway home to Graceland

Don't be cruel, see my sneer
From my pelvis to my ears
T.C.B., seize the throne
Can't believe I'm going home

Under memphis skies
Did you notice
I'm halfway home to elvis

In my blue suede shoes
I'm the big man, I'm halfway home
Halfway home to Graceland

And with the kiss of my ring
You are in the big time
And with the wave of my hand
You're in for a bad time

Under memphis skies
Did you notice
I'm halfway home to elvis
In my blue suede shoes
I'm the big man, I'm halfway home
Halfway home to Graceland

And with the wave of my hand...
To graceland
