Yesterday I cried balloons  
Rubber tears came out  
Like water on the moon  
With scarlett eyes  
I tried to find my way  
Yesterday I found myself  
Yesterday I lost a tooth  
I saw the fairy on the roof  
Yesterday I heard the news  
My fruity looms became a noose  
And everywhere I turn  
Just leads me back to you

Yesterday I found myself  
Marching in a mine field  
Yesterday I found myself  
Drowning in the rain  
Yesterday I found myself  
Walking in a wildfire  
Yesterday I found myself  
Dying yesterday

Yesterday I hit the wall  
Had nobody else to call

Planted peaches in the mall  
Was it yesterday at all  
And everywhere I turn  
Just leads me back to you

Yesterday I found myself  
Marching in a mine field  
Yesterday I found myself  
Drowning in the rain  
Yesterday I found myself  
Walking in a wildfire  
Yesterday I found myself  
Dying yesterday

And there is more behind  
This curtain we'll see

Yesterday I found myself  
Marching in a mine field  
Yesterday I found myself  
Drowning in the rain  
Yesterday I found myself  
Walking in a wildfire  
Yesterday I found myself  
Dying yesterday
