Chorus

They said i wouldnt make this this far but im here(i am legend, i am legend)They said i couldnt take this far but im here(i am legend i am legend)These folks tryin to talk behind my back, tell me what i lack hatin almost all my songs tell me what i didnt know(i am legend, i am legend, i am legend)

Ya Boy

Ay i am legend, runnin on these niggas like i am Edgerrin James, we are not the same, im in another lane and i am not a trick so i never make it rain flying through their flame you gotta fell my pain ive been all around their world and i still stayed the same why be the rock, might be the pac of the new school minus the shots im hot mithgt see me on the block or see me or see me on the yaht all im tryin to do is pull a lamborghini off the lot get a gun to juice to em let that loose on any hater that say why B aint the truth in and out the booth i be higher than the roof fuck these lawyer ass rappers liers in the suit i be flyer than the coupe on 24s boo nigga i am legend who the fuck are you

Chorus

They said i wouldnt make this this far but im here(i am legend, i am legend)They said i couldnt take this far but im here(i am legend i am legend)These folks tryin to talk behind my back, tell me what i lack hatin almost all my songs tell me what i didnt know(i am legend, i am legend, i am legend)

Juice

certain homies in the hood gotta real gift, i am legend to the streets call em will smith ima spread my wings and fly to the top on em now you see the city is mine got it locked on em i keep my ear to the streets i hear the rumors you slick talkin and plottin your maneuvers when all bets is off if you try to set em up i live by the legend law (better get you wet it up) phoenix we here now cant let em get to me here to make history holdin

next century bubble this rap shit push and go hard the
rap game been flowin call em juice gold water pardon
my joggin but i ball in my city, like the homin james
harden, here to the here to the guard and youll never
think less of me standin at the top sketchin out my
legacy

Chorus

They said i wouldnt make this this far but im here(i am
legend, i am legend)They said i couldnt take this far
but im here(i am legend i am legend)These folks tryin
to talk behind my back, tell me what i lack hatin almost
all my songs tell me what i didnt know(i am legend, i
am legend, i am legend)
