Chorus

Well I need Jesus, you need Him too  
Along Life's highways  
To carry you through  
When you're in trouble  
And don't know what to do  
Coll on Jesus, Jesus, Jesus  
He'll carry you trough  
He'll carry you trough  
Sometimes I'm discouraged  
My load's hard to bear  
And I feel myself stumble  
'Neath my load of care  
Then I ask Him this question  
Oh my Lord, how long?  
Then I hear His voice  
Whisper, whisper, wisper  
Soon you'll be coming home  
Repeat Chorus  
You'llbe coming home
