Break it to me gently  
Let me down the easy way  
Make me feel you still love me  
If it's just, just for one more day

Break it to me gently  
So my tears, my tears won't fall too fast  
If you must go then go slowly  
Let me love you 'til the last

The love we've shared, oh so long  
It's a teary part of me  
If you must take your love away  
Take it gradually

And break it to me gently, give me time  
Oh, give me a little time to ease the pain  
If you must go then go slowly  
'Cause I'll never love again

If you must take your love away  
Take it gradually

And break it to me gently, give me time  
Oh, give me a little time to ease the pain  
Love me just a little longer  
'Cause I'll never, never love again  
'Cause I'll never, no, never love again, ooh
