I've got a secret in my heart  
I've been holdin' for some time  
But if I let the fire start  
Would it be outta line

I guess there's nothin' left to say  
I just wanna make you mine  
Don't let a good thing get away  
Come on and make up your mind  
Ya - give me a sign baby

Can't wait all night  
Can't wait all day  
When you gonna send a little lovin' my way

Now the feelin's right  
I just wanna say  
When you gonna send a little lovin' my way

I'm double parked outside your heart  
While I wait for you to make a move  
If nothin's keepin' us apart  
We got nothin' to lose

Lovers come and lovers go  
You gotta know when it's for real  
Why would you wanna be alone  
When you could be with me  
Ya - you coulda been with me

Can't wait all night  
Can't wait all day  
When you gonna send a little lovin' my way

Now the feelin's right  
I just wanna say  
When you gonna send a little lovin' my way

I'm sittin' on TNT  
Just wishin' you could be with me  
A little bit of love would go a long, long way

I'm walkin' on lands mine  
I'm just wishin' I could make you mine  
There's nothin' left for me but anticipation

Can't wait all night  
Can't wait all day  
When you gonna send a little lovin' my way

Now the feelin's right  
I just wanna say  
When you gonna send a little lovin' my way

Can't wait all night  
Can't wait all day  
When you gonna send a little lovin' my way

Now the feelin's right  
I just wanna say  
When you gonna send a little lovin' my way
