I let you under my skin
The poison stocks meant for me then
Reject a soul to expand it
Your heart attacks without healing

Save me,
From the darkness following you life
And I'm a slave to your needle
When you dominate my mind

You act like your a star
But no-one knows just who you are
I'm tired of being alone every day
I'm on my knee's there's
Nowhere left to fall
And you say
You wanted to be, something more
Then just an enemy

Save me
From the darkness following your life
And I'm a slave to your needle
When you dominate my mind
Save me
Oh, ho,
Wont you save me when
Your feeling alone
When your feeling alone
When your feeling, wo, oh,
Into nothing I will stumble
Ooh ooh

Save me (save me)
From the darkness following your life,
And I'm a slave to you needle,
When you dominate my life
Save me,
Oh come on
Wont you
Save me
When your feeling alive

When your feeling
