Once I had a heart cold as ice  
Love to me was only for fun  
I'd make a mark for each broken heart  
Like notches on the butt of a gun

Once I had a trick up my sleeve  
A reputation all over town  
I was heartless and cold, wherever I'd go  
I shot down every young boy I found

Yes, I used to be a moonlight bandit  
I used to be a heartbreak kid  
Then I met you and the next thing I knew  
There I was, oh, shot full of love

Who'd have thought that someone like you  
Could take a desperado like me  
But, oh, here I am, I'm as meek as a lamb  
With my bleeding heart there at your feet

Yes, I used to be a moonlight bandit  
I used to be a heartbreak kid  
Then I met you and the next thing I knew  
There I was, oh, shot full of love

I used to be a moonlight bandit  
I used to be a heartbreak kid  
Then I met you and the next thing I knew  
There I was

I used to be a moonlight bandit  
I used to be a heartbreak kid  
Then I met you and the next thing I knew  
There I was, oh, shot full of love
