Ooh, yeah, yeah

I've been known to walk away
From love before
When it got serious I took off
Runnin' for the door

Made a point not to get hurt anymore
But there's no way I'm out
'cause I've nowhere to be
Now that love is here
Know that I won't break

'Cause I ain't scared to fall in love
Take my heart I'm not afraid
To give it up, to you, to you

Ain't no fear I can't fight
I'm ok girl when I look in your eyes
I like what I see in them
And I ain't scared

I ain't holding nothing back
I know its right
There's no monster in my head
Making me think twice

All our phobias are fallen, were just lies
You make me crazy baby, all shook up inside
The more you get to me, the more I'm terrified

But I ain't scared to fall in love
Take my heart I'm not afraid
To give it up, to you, to you
Ain't no fear I can't fight
I'm ok girl when I look in your eyes
I like what I see in them
Baby I ain't scared, no

I'll show you what I'm made of baby
I can take it there
I ain't holdin' nothing back

I know its right so

Baby I ain't scared
To fall in love
Take my heart
I'm not afraid
To give it up, to you, to you

Ain't no fear I can't fight
I'm ok girl when I look in your eyes
I like what I see in them
And I ain't scared

I ain't scared to fall in love
I ain't scared to give it up to you

Oh, o-oh-oh oh

I ain't scared to fall in love
I ain't scared to give it up to you
