The tension in the air is so damn thick
You can cut it with a knife, stir it with a stick
It's like Mississippi mud umm and it gets in your blood
Steam's rollin up off a blacktop streak
Sweatin like a sinner in the front pew seat
In the church house, hot enough to run the devil out
And here I am thinking about the preacher mans
daughter
With the hair as black as the bayou water
And her..

[Chorus]

Louisiana love
Hot summer night
105 degrees fahrenheit
Feeling the heat underneath that cajun moon
Takin our time movin real slow
Building a fire watching it grow
Until its burning out of control
Luisiana Love

A hot pot of crawfish boiling red
She breaks of a tail and sucks on the head
And hands one to me ohhh ohhh wee
We sneek to the dock and grab a hicory pole
And lay out a blanket in her popa's P-row
And float away down to the Ponchatrain
Tryin keep it quiet, be a little cautious
I'd be allagator bait if the preacher man caught us
Making

[Chorus]

ohhhhhoohhh Louisiana Love
Ohhhhhoohhh I Can't get enough

[Chorus]

Like the fire burning in my soul that's Louisiana love

Ohhhhhyeahhhaa
Louisiana love

Louisiana love
Don't ya know girl I can't get enough
Louisiana love
Louisiana love
Don't ya know girl I can't get enough
I cant get enough
Your Louisiana Love
