[Verse 1, Juicy J]

Comin from the hood, the D-boys

Lot of superstars

Ridin 30 inches on a bucket or a new car

So flingy-flingy, so flingy

So blingy-blingy, so blingy

You see me-see me, you see me

The girls clingy, they clingy

They wanna ride with the Juice Mayn

Mister bang-bang

Ballin down the old common lane, in a Chevy thang

My car is like my wifey so I treat her with the skeeter-skeeter

Rubbers worn out, you can tell by the marriage meter

Betty-Betty McBetty, the name of my new Chevy

She snow-snow whiz-ite, the color of fish scaleys

She gotta-gotta get washed

So clean-clean, no spots

She mine til' she break down, and then I gotta tiz-oss
