Bands a make her dance [x6]

Bands a make her dance, bands a make her dance  
All these chicks popping pussies, I'm just popping  
bands  
Bands a make her dance, bands a make her dance  
These chicks clappin', and they ain't using hands (x2)

Short hair like Nia Long, loose one she don't need it  
long  
She start twerking when she hear a song, the stripper  
pole her income  
We get trippy and then some, so nasty when she rolling  
She put that ass off in my hands, I remote control it  
She give me dome when the roof gone, at the K O D  
she live with me  
She got friends bring three, I got drugs I got drinks  
Bend it over juicy j gone poke it like wet paint  
You say no to ratchet pussy, juicy j can't  
Racks everywhere, they're showing racks I'm throwing  
racks  
In the VIP rubber on I'm stretching it  
Bitch niggas tippin, broke niggas looking  
And it ain't a strip club if they ain't showing pussy.

Bands a make her dance, bands a make her dance  
All these chicks popping pussies, I'm just popping  
bands  
Bands a make her dance, bands a make her dance  
These chicks clappin', and they ain't using hands.

Down in Atlanta, about to hit up magic  
Throw some money in the air all the bad bitches gone  
grab it  
Straight off the floor she gonna need a couple of bags  
Like a broke atm I'm a spillin all this cash  
Them niggas in the club don't be spending shit  
20 stacks in one night, I be on trippy shit  
My crib's paid off, but I'm still paying rent  
A couple of condos paid, she loving every cent  
She make that ass clap dancing like she on a dick  
Bring it back i threw a stack that's a lucky bitch

Up and down she's going she's sliding on that pole  
Making money stacking up hundreds shawty cold

Bands a make her dance, bands a make her dance  
All these chicks popping pussies, I'm just popping  
bands

Bands a make her dance, bands a make her dance  
These chicks clappin', and they ain't using hands
