[Intro - Juicy J]

Strippers

Bandz a make her dance, bandz a make her dance
Bandz a make her dance, bandz a make her dance
Bandz a make her dance, bandz a make her dance

[Chorus - Juicy J]

Bandz a make her dance, bandz a make her dance
All these chicks popping pussies, I'm just popping
bands

Bandz a make her dance, bandz a make her dance
These chicks clappin' and they ain't using hands
Bandz a make her dance, bandz a make her dance
All these chicks popping pussies, I'm just popping
bands

Bandz a make her dance, bandz a make her dance
These chicks clappin' and they ain't using hands

[Verse 1 - Juicy J]

Short hair like Nia Long, used ones, she don't need a
loan

Start twerking when she hear a song, stripper pole her
income

We get trippy and then some, so nasty when she rollin'
She put that ass off in my hands, I remote control it
She give me dome when the roof gone, at the K.O.D
she live with me

She got friends, bring three, I got drugs, I got drinks
Bend it over, Juicy J gon' poke it like wet paint

You say no to ratchet pussy, Juicy J can't
Racks er'where, they showin' racks, I'm throwing racks
In the V.I.P, rubber on I'm stretching that
Rich niggas tippin', broke niggas lookin'
And it ain't a strip club if they ain't showin' pussy

[Chorus - Juicy J & (Lil Wayne)]

Bandz a make her dance, bandz a make her dance
All these chicks popping pussies, I'm just popping
bands

Bandz a make her dance, bandz a make her dance
(yeah)

These chicks clappin' and they ain't using hands

(babbyyy)

Bandz a make her dance, bandz a make her dance
(hahaha)

All these chicks popping pussies, I'm just popping
bands (just like I do)

Bandz a make her dance, bandz a make her dance
These chicks clappin' and they ain't using hands
[Verse 2 - Lil Wayne]

Uh, pop that pussy for a real nigga
Pull out my black card, that's my lil' nigga
Make a movie with your bitch, Steven Spiel-nigga
Smokin' on Keyshia, Cole, give me chills nigga
What's your real name? and not your stripper name
I make it rain on ya like a window pane
Bandz a make her dance, Tunechi make her cum
Hit it from the side like a motherfuckin' bass drum
Two hoes on one fuckin' pole, two hoes on my fuckin'
pole
I don't tip, I pay bills, bitches call me Buffalo
Her stomach and her ass out, I'm flyer than the ones
they pass out
If money grow on trees, I branched out
I'm just waiting for my bitch to cash out
Haha

[Chorus - Juicy J & (Lil Wayne)]

Bandz a make her dance, bandz a make her dance
All these chicks popping pussies, I'm just popping
bands (I'm just waiting on my bitch to cash out)
Bandz a make her dance, bandz a make her dance
(Tunechi)

These chicks clappin' and they ain't using hands
(Young Mula babbyy)

Bandz a make her dance, bandz a make her dance
All these chicks popping pussies, I'm just popping
bands

Bandz a make her dance, bandz a make her dance
These chicks clappin' and they ain't using hands
[Verse 3 - Juicy J]

Down in Atlanta, about to hit up Magic
Throw some money in the air, all the bad bitches gone
grab it
Straight off the floor she gone need a couple of bags
Like a broke ATM, I'm spillin' all this cash
Them niggas in the club don't be spending shit
20 stacks in one night, I be on trippy shit
My crib's paid off, but I'm still paying rent
A couple of condos paid, she lovin' every cent
She make that ass clap, dancin' like she on a dick
Bring it back up through, us take, that's a lucky bitch
Up and down she going, she sliding on that pole

Making money, stacking them honey, shawty cold
[Chorus - Juicy J]
Bandz a make her dance, bandz a make her dance
All these chicks popping pussies, I'm just popping
bands
Bandz a make her dance, bandz a make her dance
These chicks clappin' and they ain't using hands
Bandz a make her dance, bandz a make her dance
All these chicks popping pussies, I'm just popping
bands
Bandz a make her dance, bandz a make her dance
These chicks clappin' and they ain't using hands
