Inhale, sour diesel, white widow, kush, by the boat load, inhale

Sour diesel, white widow, kush, by the boat load, inhale

Sour diesel, white widow, kush, by the boat load, inhale

Sour diesel, white widow, kush, by the boat load, inhale

Inhale, inhale, inhale, inhale, inhale, inhale

Inhale, inhale, inhale, inhale, inhale, inhale, inhale

Sour diesel, white widow, kush, by the boat load, let's go

Yeah nigga, yeah nigga, I don't re'd up

Got a fresh boat load of that loud stuff, took a million puffs

Got me high as fuck, man i'm paranoid

I got my forty tucked, smoking and toking lil kushy

Looking for pussy thats gushy, hitting the swishers with bitches

Living enjoying my riches

Niggas can't get with this pimpin, straight born and raised out of Memphis

Blunt to my mouth like a dentist, row one again when i finish ...

Smoking on that medical, high up on a pedestal

Blowing on that green love, feeling so incredible

Smoking get me high, but I be higher off them edibles

Still riding dirty but I'm dodging all the federals

Sour diesel, white widow, kush, by the boat load, inhale

Sour diesel, white widow, kush, by the boat load, inhale

Sour diesel, white widow, kush, by the boat load, inhale

Sour diesel, white widow, kush, by the boat load, inhale

Inhale, inhale, inhale, inhale, inhale, inhale

Inhale, inhale, inhale, inhale, inhale, inhale, inhale

Sour diesel white little kush, bottle boat, let's go

Yeah bitch, yeah bitch, call me Steve O

I'm a wild boy, fuck a eighth i need o's

28 grams of that loudest pack, matter fact man get a pound of that

Get a couple kids with sour diesel and lemon g that's sour patch

I aint in a gang but my og's kush

Blow that loud, till it makes me shush

23 jays and a red bull, call me Michael Jordan, this that  
swush, this that swush, this that swush  
Don't shit ask, ... smack that tush, this right here is my  
bag  
A purple marijuana go and bong that bush  
Everyday christmas eve wit me  
Everybody celebrates lighting up the tree  
So Santa Clause I got special cookies for him when he  
comes down my chimney  
I got munchies here, munchies there, leftover chinease  
in my frigidier  
I'm the iron chef of this munchie shit, smoke everything  
fuck the air, inhale

Sour diesel, white widow, kush, by the boat load, inhale  
Sour diesel, white widow, kush, by the boat load, inhale  
Sour diesel, white widow, kush, by the boat load, inhale  
Sour diesel, white widow, kush, by the boat load, inhale  
Inhale, inhale, inhale, inhale, inhale, inhale  
Inhale, inhale, inhale, inhale, inhale, inhale, inhale  
Sour diesel white little kush, bottle boat, let's go.
