Life's like grippin', yea we still tippin'  
Codeine cups and the picture's so vivid  
Codeine cups, co-codeine cups, co-codeine cups (and  
the picture's so vivid)

Life's like grippin', yea we still tippin'  
Codeine cups and the picture's so vivid  
Codeine cups, co-codeine cups, co-codeine cups (and  
the picture's so vivid)

On the leave, poppin' rose with the cush blunt  
What up bitch? Ass fast, see it from the front  
Mind on minim, trippin' and my eyes low  
Everything purple, policy is we smoke  
Codeine dye, now the bitch gon dry  
If you say I ain't high then you niggas lyin'  
A bunch of tellers miffers niggas gettin' thrown nigga  
A bunch of hoes in the crib, bunch of awes nigga  
Off their all and it's dirty and I'm feeling great  
Smoke a blunt or two or three just to keep you straight  
You gettin' high water hole, make a decision  
That miracle promethazine, triple precision  
Cups on floor, my vision is dizzy  
I'm like Bobby Brown, hoe, without new addition

Life's like grippin', yea we still tippin'  
Codeine cups and the picture's so vivid  
Codeine cups, co-codeine cups, co-codeine cups (and  
the picture's so vivid)

Life's like grippin', yea we still tippin'  
Codeine cups and the picture's so vivid  
Codeine cups, co-codeine cups, co-codeine cups (and  
the picture's so vivid)

Purple purple purple, cup always full  
Acid in the circle, everybody's moving good  
On the daily mice we gon have to fuck around  
We may slow down when I'm in your town, 2050 trippin'  
She got a sippy cup, they say don't drink and sip it  
mean but I mix some up

Turned up to the madgemir Reggie shit  
She bad and smoke probly half the bitch  
You niggas still getting tipsy, catch me beatin'  
Smoke some at cutter bull, feel like I'm dreamin'  
My crib ain't Kaley like Texas sippin' DJ screw  
Face full of Bombay but Jake can't find no juice

Life's like grippin', yea we still tippin'  
Codeine cups and the picture's so vivid  
Codeine cups, co-codeine cups, co-codeine cups (and  
the picture's so vivid)

Life's like grippin', yea we still tippin'  
Codeine cups and the picture's so vivid  
Codeine cups, co-codeine cups, co-codeine cups (and  
the picture's so vivid)
