Left my old b\*tch at home  
Got a new one  
Left my old b\*tch at home  
Got a new one  
Got got a new one  
Got got a new one  
Left my old b\*tch at home  
Got a new one(x2)

My b\*tch ask me do i love her  
I tell her yeh  
But the truth is  
I only love that head  
Always on her knees  
Never using her legs  
I dont trust her neither  
She just want juicy bread  
Got a new b\*tch  
Sh\*t, i got 2 or 3  
What they do for free  
Everything they do for me  
They eat eachother pu\*\*y  
I just like to see  
F\*ck her booshy a\*s b\*tch  
All i like is free  
Got that liquior in me  
Now I'm a p\*rnstar  
I pull the whip over  
And f\*ck her in my p\*rn car  
I'm so f\*cking high  
I need some new lungs  
Left my old b\*tch at home  
Got a new one.

Left my old b\*tch at home  
Got a new one  
Left my old b\*tch at home  
Got a new one  
Got got a new one  
Got got a new one  
Left my old b\*tch at home

Got a new one(x2)

I got a new b\*tch  
I met her in Cali  
I gave her my number  
She gave me her panties  
The momma can blow  
So i gave her a grammy  
I dont even know her name  
I think it was tammy  
I just met a cuban b\*tch  
Out in miama  
Shaped like a coke bottle  
Hot as a cannon  
She could be a actress  
She might be a model  
It don't matter to me  
Long as the hole swallow  
I'm hers for the night  
I'm leaving tomorrow  
It's back off in my mantion  
It's somebody's daughter  
She dancing like she f\*cking  
Huh momma who taught her  
Then i kick her out  
Cause i got enough stalkers

Left my old b\*tch at home  
Got a new one  
Left my old b\*tch at home  
Got a new one  
Got got a new one  
Got got a new one  
Left my old b\*tch at home  
Got a new one(x4)
