It's in me to hustle, work my muscle
It's in me to blow your ass out for a duffle
It's in me to cut a nigga head, if he get wrong
I'm out here, fight
Hungry so get wrong

It's in me to hustle, work my muscle
It's in me to blow your ass out for a duffle
It's in me to cut a nigga head, if he get wrong
I'm out here, fight
Hungry so get wrong

Gunz gunz gunz gunz gunz keeps powers beans
Nigga be bringing all this cheese
Nigga be out here hatin' on me
Nigga I'm real love from the streets
Know what myth is real, kill that nigga we get that
gasoline
Set him on fire, dump that body
Nigga my hood, nigga never gonna leave
Blue crush, real crush, my young niggas say fuck
police
My young niggas pop pills, smoke weed
My young niggas as wild as me
My young niggas invade your home
My young niggas pull jitters and thons
Hold him down, up tape to the face, click [bang]
I can make it happen, those click then I jackin'
40.000 on your head, you might wanna stop laughin'
You might wanna stop flaggin', you might wanna start
packin'
You might wanna start rappin', you violate we blastin'

It's in me to hustle, work my muscle
It's in me to blow your ass out for a duffle
It's in me to cut a nigga head, if he get wrong
I'm out here, fight
Hungry so get wrong

It's in me to hustle, work my muscle
It's in me to blow your ass out for a duffle

It's in me to cut a nigga head, if he get wrong
I'm out here, fight
Hungry so get wrong
