(Juicy J)

Niggas talkin like they stuntin, but real niggas aint
stupid
Who you think you foolin, you gon have to come prove
it
You know me I'm a OG, I don't say it unless I do it
Got a pistol off in my five-fifty, nigga don't make me
use it
You rap niggas is clueless, getin money is my duty
And if the truth is really naked, then Juicy J is a nudist
Your girlfriends my groupie, if I speak to her her gonna
lose it
Fuck nigga you mad, I don't give a fuck sue me
A hundred deep we all strapped, pistols all on our
waistline
Real niggas don't talk about it, we shoot it out in the
daytime
In the streets you really not, extended clip I wont miss a
shot
Try me I'll put you in a pine box, my trigger finger got
the chicken pox
I got money I got hoes, getin head in my trapose
All this chicken and all this syrup you think we at
Roscoes
I'm smokin and I'm drivin while I'm rollin up
You broke, so I smoke enough for both of us

(Chorus)

Niggas don't play with me, these niggas know betta
These niggas know betta, these niggas know
These bitches don't play with me, these bitches know
betta
These bitches know betta, these bitches know

(Wiz)

Yeah bitch!
Fuck you know about that
Taylor Gang
Do more in an hour then you do in a day

Smoke and drink as much as we really talk about
Talkin shit but they know betta
Talkin kush but I grow betta
Talkin money my doe betta
All my niggas rep mafia
Talkin borders we crossing those
Talkin pounds we got lots of those
Million dollars that's independent
Look at us say those niggas getin it
Niggas don't play with me
They know I got a couple niggas that'll spray for me
They know that if it come down to it that I'll pay the cost
Before you say your ready for war be prepared to take
a loss
Bitch I'm a boss, I be rollin up that good nigga
I keep both hands clean might be my goons that's on
the crime scene
Throwing there gang up when they approach
Don't even talk bank cause you know it's bigger
Aint in first class cause I'm the only nigga

(Chorus)

Niggas don't play with me, these niggas know betta
These niggas know betta, these niggas know
These bitches don't play with me, these bitches know
betta
These bitches know betta, these bitches know
