Now I ain't the one with the magic wa wa wand
But I can break a bitch for the cheese and funds
I don't have to use a gun or even make the hoe cum
If a nigga go to jail then a bitch make bond

While you shakin' dat ass in the shake ja ja joint
I be sittin' in the back rollin' big bu bu blunts
Let me know when you off to collect my money
If a nigga can't get it then a nigga will haul

'Cause playas like me don't see nuttin' funny
Bitch betta have my mutherfuckin' money
Black eyes and bruisin' up a face, I den done it
To let her know these bonified pimps who run it

She make a G a night but she told me 200
But that's what I get fuckin' wit a snow bunny
I told her like this ask dat nigga you be callin'
Police found a body that very next morning

Gator Boots and the suits is the clothes
Like a pimp
Keep the money not folded in a roll
Like a pimp

When I see you bitch you betta have my dough
Like a pimp
Reach Back
Like a pimp, slap da hoe

Gator Boots and the suits is the clothes
Like a pimp
Keep the money not folded in a roll
Like a pimp

When I see you bitch you betta have my dough
Like a pimp
Reach Back
Like a pimp, slap da hoe

They wanna wear my shoes they wanna wear
My clothes they wanna ride round thru the

Hood with 20 hoes sittin' back in the back
Like a nigga suspose with a chauffer drivin'

Lettin' his pimpin' be choose

Bring yo girl to my room mane thats all you saw
Young nigga in the cut name Juicy J

Bitch fuck that shit we still gon pimp
We go ride thru the streets we go hit the
Dense we go smoke on dem blunts we go sip a fifth

We go stand on the corner wit a pistol grip
If you want to holla at us we ain't out for the squeeze
All we want is yo purse
