Some nigga start hatin when they start gettin broke,
You're like a corn head that them red out of dope
So don't be come and round me fake smiling,
Looking at a nigga real looking in my dime,
You ain't try to have nothing nigga, you ain't grindin
But you wanna talk shit when you see me ridin.

(Verse)

I said I've been chasing this paper this hoes all on my
dick
Gold all on my watch, Versace all on my feet
Broke niggas around me, I just tell em scramble like V
Vicks paper roll, 'cause my jury can't be seen
Got a a 65 300 and 50 racks,
Get your new school like the valley tell them people
take your back
While you watching the ass clap I'd rather watch this
paper stack
Since they legalize it loud and moving straight from
paying that.
Broke on highway, one team OG
Juice man I got your nigga and I kill them nigga like so
say.
Just caught the benz and they cost about a dollar
Know that pimping in my blood so I got a pumping
collar.

(Hook)

Brand new benz for the hundred racks, hundred racks,
Chicks on my jar, 'cause my money swag money swag
Broke ass nigga got none of that, none of that.
Broke ass nigga got none of that, none of that.
Broke ass nigga got none of that, none of that.
Broke ass nigga got none of that, none of that.
Broke ass nigga got none of that, none of that.
