chorus:

my niggaz...

wherever I go, they goin' go

my niggaz...

if a hater get wrong, we goin' beat that boy

[Juicy J]:

ski mask, black clothes is the work suit

40 glocks, AKs is the work tools

niggaz slick dissin' hating, really wanna be me

cuz I'm the realest in the game, bitch come see me

you niggaz kills me on the "powder get you hyper,"

you drink that liquor then turn into the ultimate fighter

i got some young niggaz that'll bend your fucking

brains in

some stupid dumb nigga wild'n out the frame man

i'm at the club with my thugs doing a rain dance

we throw up signs in the air, cuz it's gangland

we in the V.I.P. vodka drinkin'

diamonds shining eyes blinding big ring-n

[chorus]

[Juicy J]:

I bought a old school and put brains on the bitch

? thangs on the bitch

nigga I'm the man, I'm the same with the whips,

your baby mama love me, she go ham on the dick

you better play dead when I send out the hit

you said you dope dealing, let's go half on a brick

a large amount of beans and a pound of the mint

a small trap house where I sell all the shit

I know what it feel like broke in the slum

Hustle til I die, I'm gonna grind til I'm done

A real hood nigga i'm gonna shine like the sun

A champ with the work, I'll sell you a crumb

A hot flatscreen and a whole lot of guns

A fie triple bitch for a whole lot of fun

some fishscale coke you can test with your tongue

niggaz always saying, "oh shit, it's the bomb."

Still throwing sets up in the club, cracking dome-ahs  
Nigga I'm a vet to the shit we be known for  
rollin on some X my nig, I'm a stoner  
I keep a rusty Tech that'll keep you in a coma

[chorus]
