nigga think we're playing games till we catch them
slippin

your mama cryin in the church with your baby sister
fucking what the white girl call her Taylor Swift
but that bitch to your face until you get a face lift
nigga keep talking, dig your own grave
but we shooting sights so you doa

Hook:

I got this black bitch she a fine ass model
I like to squeeze her ass, I like to hear hola
what my funds low she is going and get them dollars
what I love about her she solve all problems
