Niggas talkin shit they got us fucked up
Nigga where im from nobody feel tha stuff
Well bust a nigga head till tha white meat
And we dont give a fuck nigga
Call tha police (x2)

You been a bitch my nigga
Why tha fuck you talkin shit
I got one off in my chamber
And got six in tha clip
I dont think you niggas you want it so quit playin wit
ya self
Im a real street nigga bitch I live by my rep
I aint never been a pussy
Just ask tha hood about me
I bet them niggas
Bitch I been about it
Neva am I slippin
I keep tha heata wit me
Jackas try and rob me
You must not plan on livin
When you see tha black mask holdin on tha smithin
Weston if you want a lesson
Dont be testin pimpin
Real goons from tha North
Theyll have you missin
Body stuffed in tha dump
Chopped up like some chitlins

Niggas talkin shit they got us fucked up
Nigga where im from nobody feel tha stuff
Well bust a nigga head till tha white meat
And we dont give a fuck nigga
Call tha police (x2)

Its word on tha town
That Juicy J is back around
In tha hood
Posted up
Makin all these rounds
Niggas call me godfather cause I put it down
Throw some bread wit my guys help them off tha

ground
And niggas still be hatin but I get it now
They just some broke ass niggas that aint got no house
They just some niggas that been hatin that aint got no
car
They just some niggas that be sleepin somewhere in a
bar

Niggas talkin shit they got us fucked up
Nigga where im from nobody feel tha stuff
Well bust a nigga head till tha white meat
And we dont give a fuck nigga
Call tha police (x2)
