Don't let yourself be
Hurt this time
Don't let yourself be
Hurt this time

Then I saw your face
Then I saw your smile

The sky is still blue
The clouds come and go
Yet something is different
Are we falling in love?

Don't let yourself be
Hurt this time
Don't let yourself be
Hurt this time

Then your kiss so soft
Then your touch so warm

The stars still
Shine bright
The mountains still right
Yet something is different
Are we falling in love?

Falling
Falling
Are we falling in love?
