I fell for you, baby, like a bomb
Now my love's gone up in flames
The history, baby, read it in a book
It ended in the fire that started the war

I fell for you, baby, like a bomb
Now my love's gone up in flames

My head's full of smoke, heart's full of pain
The tender love is blind, while up in flames
You should have shot me, baby, my life is done
You could have shot me, baby, shot me with a gun

Why people's silence scream my name?
I know my love's gone up in flames
