Destroy me
Destroy me
My will if you can
Distance me
Distance me
From control of your hand
Destroy me
Destroy me
My will if you can
Distance me
Distance me
From control of your hand
Break tradition
Break away
Fuck tradition
It dies today
Break tradition
Break away
Fuck tradition
It dies today
Destroy me
Destroy me
My will if you can
Distance me
Distance me
From control of your hand

Break tradition
Break away
Fuck tradition
It dies today
Break tradition
Break away
Fuck tradition
It dies today

Distance me from traditional society
Carve the layer from your skin
That coats all that which we see
Distance me from traditional society
Carve the layer from your skin
That coats all that which we see

Destroy me
Destroy me
My will if you can
Distance me
Distance me
From control of your hand
Destroy me
Destroy me
My will if you can
Distance me
Distance me
From control of your hand
Break tradition
Break away
Fuck tradition
It dies today
