Torn at the seams
A victime brought to his knees
I tried to change it around
No
To make it fit to make it work
Torn
But nothing gonna give
No
Please help me
I'm fucking torn at the seams
A victim brought to his knees
Is this real?
And you'll never get it back

What was taken away
As you look ththrough my life
This is real
Where are you now
As I waste away
As I watch my life fade away
I'll never give into you
I'll never see you're side
You'll never know just what's inside of me.
