Drove me to the wall

Slow down now you're so fast
There's no race here on this track
Still a chance if i take my lead
But you pushed me forward in full-speed

You drove me to the wall
I put my car in stall
You drove me to the wall
I put my car in stall

You didn't mean to do that
I forgive and forget the past
There's still a chance i'll turn around
From the back i hear this crashing sound
You drove me to the wall
I put my car in stall
You drove me to the wall
I put my car in stall

I can't turn back
I can't turn back
I can't turn back to you

You drove me to the wall
(i can't turn back)
I put my car in stall
(i can't turn back)
You drove me to the wall
(i can't turn back to)
I put my car in stall
(you)
