Oh, I know it's not polite  
To ask you where you spent last night  
And if I did, you might reply  
That I have no right  
And anyway I'm fine  
Glad you're no longer mine  
If I should tell a lie  
I'll cross my heart and I hope to die

Now and then  
Do you wash your hands of me again  
Wish me anywhere but home  
Drunk and on the end of your phone

From time to time  
Do you guess what's really on my mind  
Guess that "How you're  
Keeping now"  
Means "Where are you  
Sleeping now"

But of course it's not polite  
To ask you where you spent last night  
And if I did, you might reply  
That I have no right  
And anyway I'm fine  
Glad that you're no longer mine  
If I should tell a lie  
I'll cross my heart and I hope to die

You'd be appalled  
If you knew what I was  
Doing when you called  
Yes, I can see I'm blundering  
And I always end up wondering

Will it ever be alright  
To ask you where you spent last night  
And can it be polite  
The way we never write  
'Cause I don't have the time  
And anyway I'm fine

If I should tell a lie  
I'll cross my heart and I hope to die

Oh, I know it's not polite  
To ask you where you spent last night  
And if I did, you might reply  
That I have no right  
And anyway I'm fine  
Glad you're no longer mine  
If I should tell a lie  
I'll cross my heart and I hope to die

I hope we'll never die

Cross my heart...
