Every day I write the list  
Of reasons why I still believe they do exist  
A thousand beautiful things  
And even though it's hard to see  
The glass is full and not half empty  
A thousand beautiful things  
So light me up like the sun  
To cool down with your rain  
I never want to close my eyes again  
Never close my eyes  
Never close my eyes

I thank you for the air to breathe  
The heart to beat  
The eyes to see again  
A thousand beautiful things  
And all the things that's been and done  
The battle's won  
The good and bad in everyone  
This is mine to remember  
So, here I go again  
Singin' by your window  
Pickin' up the pieces of what's left to find...

See the world in green and blue  
See China right in front of you  
See the canyons broken by cloud  
See the tuna fleets clearing the sea out  
See the Bedouin fires at night  
See the oil fields at first light  
And see the bird with a leaf in her mouth  
After the flood all the colors came out

It's a beautiful day  
Don't let it get away  
A beautiful day

Touch me  
Take me to that other place  
Reach me  
I know I'm not a hopeless case

What you don't have you don't need it now  
What you don't know you can feel it somehow  
What you don't have you don't need it now  
Don't need it now  
It's a beautiful day

Every day I write the list  
Of reasons why I still believe they do exist  
A thousand beautiful things
