[Shock G]

I wanna go up downtown get around town  
Out of town for about a month overnight  
While the sun's shining bright in the middle  
Of the warm cold freezing hot night, that's all

[Money B]

I wanna put it in out through over and under  
Shake and bake, first take heed the boots and blunder  
I'm ready to feel the ninth wonder, ready for it all

[Shock G]

When I'm way up high I walk the edge I'm on the verge  
I get the urge I wanna jump can't do it suicide  
But I wonder what it's like to fall, cause I want it all

[Humpty Hump]

Lemme get a fruit juice lemon drop soda pop  
Popcorn candy bar chocolate ice cream and hennessy  
I want it aalll, yeah, I want it aaalllll!  
Yo, I want Anita Laquita Shakiyla Lolita  
Diana Hannah Rosanna, dookie-braid wearing Kelly  
Shelly the redhead and big booty Emily, I want em all

[Clee]

Yo I wanna smoke about an ounce and bounce  
To your local discount lah spot picking up large  
amounts  
I wanna pound extra thick quinton asked no questions  
Nuff lah for the session, I want it all

I WANT IT ALL! [x4]

[Shock G]

I wanna have a tight body meet a physically fit girl  
named Holly  
Who likes to ride the bikes exercise and go running  
But I also wanna lay around the rest and get blunted

[Humpty Hump]

I want a fat crib and a car and boat and a good

business

And a dope biznitch to share the fantasy with me  
And live virtually responsibility free, I want it all g

[Shock G]

I goes for mine all the time I'm first in line  
You better get behind me, you're no friend of mine see  
I want it all, I like to kick the knowledge and do good  
But I still wanna be that pimp nigga in the hood  
Yes, I want it all  
I wanna lay back like a mack while you do me  
I wanna get did but then again I wanna do you  
I wanna please you, I wanna doo woo you  
Do you want it all?

[Humpty Hump]

We gotta be safe but I wanna be nasty  
We gotta bust quick but then again  
I'm trying to make it last you see  
Do you want it all

[Money B]

Check it out, I wanna stack and be the fat rat  
Get a map flat on the hill drive a Lac  
Still I wanna be back down in the hood  
So I can chill with the brothers that's from there  
You know we're in there I want it all

[Shock G]

I wanna clown with my homies  
I wanna do three-sixtys in a '69 Camaro  
I wanna drop my clutch tyres scream  
Bust a cloud of smoke wreck the scene  
And then jet like an arrow  
But then again I gotta please the ladies  
So I need a clean six-four and a drop-top Mercedes  
I want it all  
I wanna be as fly as the others, I wanna freak my  
brothers  
With the underground street thing  
But then again I wanna make my mother proud  
With the Grammy nominee thing  
I wanna pleeeeaase all my sisters, let me give you the  
world!  
But I can't get Japanese girls out of my system  
And I wanna do a grey girl  
I wanna live righteous so I might just  
Follow Malcolm and kick it like Farrakhan  
But then when the lights are gone  
I'm out in the street acting crazy  
It's great to be alive, I wonder what it's like to die

I wanna live drug free and I wanna be sober  
But I wanna get HIGH until the world is over

[Humpty Hump]  
I wanna be a real humanitarian  
Eat fish and become a vegetarian  
But after the party's over at 2am  
Then I wanna get a fat burger

[Clee]  
Can't be bought but I'm up for sale  
I'm going to heaven I'm going to hell  
I like the day I like the night  
I like the dark I like to bite

[Money B]  
I wanna jack a rasta for his car keys get some dee  
A kilo and gets some hoes get my stack on attack  
And smoke a full tank of [???], I also wanna stop crying  
I want it all

[Humpty Hump]  
I wanna stay inside I wanna get out and kick it  
I like to mingle I wanna get married wanna stay single  
(Money-B: Married?! Hell No)  
I wanna be this I wanna be that  
I don't know where I'm going  
Don't know where I'm coming from  
But I know where I'm going  
Everything is everything nothing is nothing

[????]  
I want fancy cars and diamond rings  
I wanna do that ghetto thing  
I want a wife and kids and nice big home  
And next week I wanna be all alone  
I want everything!

I WANT IT ALL! [x4]
