He is mad
She is also mad
He has had it up to here
With her sarcasm
Oh listen, Dear

If I told you once
Then I told you twice
You knew what you were doing
No, I've never been that nice
If you're surprised
It's your own fault

She walks away
He is calling her name
Aw baby I have come to learn
You'll never take the blame
'Cause I am always wrong
You're always right
Apologize
Does that end the fight?

And she stares at him
And the words come to a halt
