Have you ever gone back  
To the things you used to love?  
Old shoes, old friends, old bands, old trends,  
It hurts when you discover that

Nothing's that great,  
You had bad taste  
It's much too late  
To get back the time you wasted

Teenage boys out having fun,  
Trying to pass for 21  
I sit back and wonder what it's like  
Cause everyone I know is broken, or broke, or both  
And I'm sick of seeing things not turn out right  
Because

Nothing's that great,  
You had bad taste  
It's much too late  
To get back the time you wasted

Yeah, yeah, yeah

And the who's who of the fun years  
Sit out saying,  
"When I was young  
I thought I have grown, become mature,  
Now I am sure that I'm as dumb as I ever was"  
And I know it's because

Tender hands and a smile  
Does not a mother make,  
The years she spent teaching you,  
Common sense is what it takes

Nothing's that great,  
You had bad taste  
It's much too late  
To get back the time you wasted

Yeah, yeah, yeah

Yeah, yeah, yeah  
Yeah, yeah, yeah  
Yeah, yeah, yeah
