Don't come around here
Tellin' me these lies
When you know that I'm a sucker
Girl every time
You can look so sweet
The way you look at me
Yeah and all it takes is one kiss
And then I'm weak

So I don't need your little ol' kisses
Don't need your little ol' lies
I'd don't need your little ol' promises
Breakin' my little heart twice
'Cause I've been strong
Since you've been gone
Lately I ain't that sad
So I don't need your little ol' kisses that bad

You can be so cruel
You do it so easily
Yeah that sometimes I think the devil

He's a she
So don't come around here
Telling me these lies
'Cause I'm through being your little fool
For the last time

So I don't need your little ol' kisses
I don't need your little ol' lies
I don't need your little ol' promises
Breakin' my little heart twice
'Cause I've been strong
Since you've been gone
Lately I ain't that sad
So I don't need your little ol' kisses that bad
Waoh no no no
I don't need your little ol' kisses that bad
Waoh no no no no
I don't need your little ol' kisses that bad
I don't need 'em that bad
