Baby we can talk all night
But that aint getting us nowhere
I told you everything I possibly can
There's nothing left inside of here
And maybe you can cry all night
But thatll never change the way that I feel
The snow is really piling up outside
I wish you wouldn't make me leave here

I poured it on and I poured it out
I tried to show you just how much I care
I'm tired of words and I'm too hoarse to shout
But youve been cold to me so long
I'm crying icicles instead of tears

And all I can do is keep on telling you
I want you
I need you
But there aint no way I'm ever gonna love you
Now don't be sad
Cause two out of three aint bad
Now don't be sad
Cause two out of three aint bad

You'll never find your gold on a sandy beach
You'll never drill for oil on a city street
I know you're looking for a ruby in a mountain of rocks
But there aint no coupe de ville hiding at the bottom
Of a cracker jack box

I can't lie
I can't tell you that I'm something I'm not
No matter how I try
I'll never be able
To give you something
Something that I just haven't got

There's only one girl that I will ever love
And that was so many years ago
And though I know I'll never get her out of my heart
She never loved me back

Ooh I know
I remember how she left me on a stormy night
She kissed me and got out of our bed
And though I pleaded and I begged her not to walk out
That door
She packed her bags and turned right away

And she kept on telling me
She kept on telling me
She kept on telling me
I want you
I need you
But there aint no way I'm ever gonna love you
Now don't be sad
Cause two out of three aint bad
I want you
I need you
But there aint no way I'm ever gonna love you
Now don't be sad
Cause two out of three aint bad
Don't be sad
Cause two out of three aint bad

Baby we can talk all night
But that aint getting us nowhere
