Well, it's a bruising shattering ride
But I cannot deny myself this luxury
Well, it's a bruising shattering ride
But I cannot deny myself this luxury

East easy rider
Easy ride inside of you

Suspension's killing me
But I cannot deny myself this luxury
Suspension's killing me
But I cannot deny myself this luxury

East easy rider
Easy ride inside of you
Yeah, east easy rider
Easy ride inside of you

Shimmer, shimmer, shimmer
Take it on

Well, it's a bruising shattering ride
But I cannot deny myself this luxury
Well, it's a bruising shattering ride
But I cannot deny myself this luxury

Oh, east easy rider
Easy ride inside of you
Oh, east easy rider
Easy ride inside of you

C'mon now, east easy rider
Easy ride inside of you
You, you, you, you

East easy rider
Easy ride inside of you
