Wind through the window, come sing me a song
Show me the way to go home
I've been disconnected loved and rejected
Travelling inside of my soul

And I've clenched my fist
And I've cried for love
And I've prayed for the other souls out of control
And the answers that came from above

And it's good to be lonely sometimes
It's better than nothing at all
It's good to be lonely sometimes
At least I'm prepared for the fall
And it's better than nothing at all, it's good to be lonely

Rain on the train tracks, the beat of my heart
The rhythm of life carries on
In memories and dreams of the faces and places
I'll know I'll always belong

And I've clenched my fist
And I've cried for love
And I've prayed for the other souls out of control
And the answers that came from above

And it's good to be lonely sometimes
It's better than nothing at all
It's good to be lonely sometimes
At least I'm prepared for the fall
And it's better than nothing at all, it's good to be lonely

All my fears and all my doubts
And all my secrets have found me out

And it's good to be lonely sometimes
It's better than nothing at all
It's good to be lonely sometimes
At least I'm prepared for the fall
And it's better than nothing at all

It's good to be lonely sometimes

It's better than nothing at all
It's good to be lonely sometimes
At least I'm prepared for the fall
And it's better than nothing at all

It's good to be lonely sometimes
It's better than nothing at all
It's good to be lonely sometimes
At least I'm prepared for the fall
