A love beyond a look
A touch beyond temptation
A vision beyond vogue
One of God's finest creations

Well it's a kiss beyond the catcher
There is nothing that could match her

To touch her in a place
Beyond the anguish of the chase
Far from the endless race
To a love beyond embrace

Well, it's a kiss beyond the catcher
There is nothing that could match her
Well, it's a kiss beyond the catcher
There is nothing that could match her

Nobody knows which way she goes
Nobody knows which way she goes

Well, she's sitting there alone
Like a queen upon a throne
If she'd only catch my glance
Then I might have half a chance

Well, it's a kiss beyond the catcher
There is nothing that could match her
Well, it's a kiss beyond the catcher
There is nothing that could match her

Nobody knows which way she goes
Nobody knows which way she goes

He said, she said, forget about this conversation
There's nothing you can do to make me smile
Least not for a while

I think, she's wrong, I'm sure there's something I could
say
To warm her heart and make her want to stay
If not I'll be on my way

That's what they say, I'll be on my way

It's that little boy inside that forces me to hide
When the walls I'm breaking through
Make me separate from you
When all I wish to do is say that I love you

Well, it's a kiss beyond the catcher
There is nothing that could match her
Well, it's a kiss beyond the catcher
There is nothing that could match her

Nobody knows which way she goes
Nobody knows which way she goes

Well, it's a kiss beyond the catcher
There is nothing that could match her
Well, it's a kiss beyond the catcher
There is nothing that could match her
