Ooh, ooh. ooh, ooh.
Let me tell you now
Let me tell you
Let me tell you
Let me tell you right now

Let me tell you 'bout the girls I used to know
'round the corner on the streets below
I've been sittin' here for quite a while
They're the kind of girls that make you smile

Let me tell you now
Let me tell you
Let me tell you
Let me tell you right now

Let me tell you
Let me tell you
Let me tell you right now

I'd like to tell you 'bout some good times I've had
The kinda good ones and the kinda bad
But if I did you'd know my secrets too
Some things are private but I'll give you a clue

Let me tell you now
Let me tell you
Let me tell you
Let me tell you right now

Let me tell you
Let me tell you
Let me tell you now
Tell you now
Tell you now, right now, what it's all about

Let me tell ya
Let me tell ya
What she did to me one night
I was foolin' around in the back of the car
And she pulled me aside

Let me tell ya
Let me tell ya
What she did to me one night
I was foolin' around
In the back of the car
And she moved with me all night

Do do do...
