Why do you always look the other way
When I'm tryin' to see your soul?
I want a love that grows in every way
But my heart can't find resolve

I just want peace of mind
With a love I can depend, with a lover and a friend
I need to find someone
With the purest heart and mind, it's the hardest thing to find

I'm lookin' 4 luv
But I'm searchin' in all the wrong places
Oh, God from above
Can't you help me see through all these faces?

I wanna feel that feelin' deep inside
When my heart begins to burst
I wanna find the love that's not a lie
So I know that I'm not cursed

I just want peace of mind
With a love I can depend, with a lover and a friend
I need to find someone
With the purest heart and mind, it's the hardest thing to find

I'm lookin' 4 luv
But I'm searchin' in all the wrong places
Oh, God from above
Can't you help me see through all these faces?

I am down but I'm fightin' back again
I need love that can stare at me blindly
Show me that your love is honesty
And I'll show you the joy love defines me

I'm lookin' 4 luv

But I'm searchin' in all the wrong places
Oh, God from above
Can't you help me see through all these faces?

I'm lookin' 4 luv

I'm lookin' 4 luv

I'm lookin' 4 luv

I'm lookin' 4 luv

I'm lookin' 4 luv

I'm lookin' 4 luv

I'm lookin' 4 luv
