Well, you could be happy
Ah, happy in my arms
Ah, don't look distracted
I'll use my fatal charms

Well, you could be happy
But only with me
If you come alive
You can spend your life with me

Well, now you're in heaven
Well, now you're in heaven

Well, you could be lovin'
Ah, lovin' in my arms
It's after you're happy
You need my lovin' charms

Well, you could be lovin'
But only with me
Just take hold of my hand
It's a trip in ecstasy

Well, now you're in heaven
(Could be happy, could be lovin')
Well, now you're in heaven
(You're in heaven, take hold of my hand)
Well, now you're in heaven
You're in heaven with me

Well, now that you've loved me
Been happy in my arms
You don't look distracted
You lust my subtle charms

Well, what do you think now, baby?
Do you like it with me?
Tell me what you think
'Cause I wanna know
Yes, I wanna know

Well, now you're in heaven

(Could be happy, could be lovin')
Well, now you're in heaven
(You're in heaven, take hold of my hand)
Well, now you're in heaven
You're in heaven with me

Well, now you're in heaven
(Could be happy, could be lovin')
Well, now you're in heaven
(You're in heaven, take hold of my hand)
Well, now you're in heaven
You're in heaven with me
