I'm on the phone once again
I feel like callin' ev'ryone I know
I called my girl twice last night
She always cries when we have a fight

Ooh, I'm down on my luck again
I really don't know what to do
Yes, I'm down on my luck again
And I don't know what to do
But baby, I'll call you as soon as I get home

I'm on my own once again
I feel the need to be with someone
All my friends have been and gone
My girl's at home and she's all alone

Ooh, I'm down on my luck again
I really don't know what to do
Yes, I'm down on my luck again
And I don't know what to do
But baby, I'll call you as soon as I get home

I'm on the phone once again
I feel like callin' ev'ryone I know
I called my girl twice last night
She always cries when we have a fight

Ooh, I'm down on my luck again
I really don't know what to do
Yes, I'm down on my luck again
And I don't know what to do

Yes, I'm down on my luck again
And I don't know what to do

Yes, I'm down on my luck again
And I don't know what to do

But baby, I'll call you as soon as I get home

Doot doot doo da...
Doot doot doo da...

Doot doot doo da da da da

Doot doot doo da...

Doot doot doo da...

Doot doot doo da da da da....
